

Health & Safety Services

Our Health & Safety Services have a dedicated area on the NIG Risk Assist portal. It's designed to help your clients navigate through, and keep up to date with health and safety requirements.

Staying up to date with the latest legislation, and keeping workplaces safe

Why use our Health & Safety Services?

Work related injuries and ill health continue to cost the UK industry billions of pounds and millions of lost working days.* Furthermore, changes to health and safety legislation are placing an ever-increasing burden on business owners. If your clients are to keep up with their legal responsibilities, prevent accidents, and avoid hefty fines, planning for effective health and safety management is vital. This is where our Health & Safety Services can help.

The key features

- Fully accredited suite of health and safety e-learning modules available to all staff, whatever the size of organisation.
- A wealth of downloadable information and templates for policies, risk assessments, checklists, contracts and other documents.
- Secure, cloud-based document manager stores all documents and useful information in one easy-to-navigate place.
- Relevant news and legislation updates, flagged throughout the year.
- Unlimited access to our 'Ask the Expert' service – guaranteed response within 24 hours.
- A-Z guidance including sector-specific areas to deal with the complexities of a particular industry.

The key benefits

- The Health & Safety Assessment Questionnaire helps your clients spot any gaps or weaknesses in their workplace safety compliance.
- Shows your clients step by step, how to rectify them.
- Ensures your clients have the right information to comply with H&S law and regulations.
- Creates a reliable audit trail in case of legal actions and claims.
- Reduces the need to pay for costly consultants.
- Maintains a safe, productive working environment.
- Enjoy peace of mind about employees' continuing welfare.
