Important Notice to Policyholder

(applicable from the Effective Date shown on your Renewal Schedule)

Due to the increasing number of theft losses reported, we have increased our minimum excess for theft, and attempt thereat, to £3,500 in respect of all Land Rover & Range Rover models with a market value of £25,000 or more. This amendment will be shown by the following clause being added to your Policy.

You will pay the first £3,500 of any claim under Section 1A caused by theft or any attempt thereat, for any Land Rover or Range Rover vehicles where the market value exceeds £25,000.

This Excess will not apply to any Motor Vehicle that is subject to an Endorsed Excess that is greater than £3,500.
