At each renewal of the Policy the premium will be adjusted to apply to the Sum Insured which then applies and the Company waives all rights to additional premium arising out of any index linking adjustments prior to renewal. General Conditions

These Conditions apply to this Policy (other than in respect of Section 12b: Engineering Inspection, of this Policy unless otherwise stated in this Policy). The Insured must comply with these Conditions. Where additional Conditions apply to a specific Section of this Policy, they are stated under that Section.

1 Fair Presentation of the Risk

a The Insured has a duty to make to the Company a fair presentation of the risk before:

- i** the inception of this Policy;
- ii** an alteration made to this Policy, concerning changes in the risk which are relevant to the proposed alteration; and
- iii** the renewal of this Policy; and

b In the event of a breach of such duty, if the breach is:

- i** deliberate or reckless, the Company may:
 - a** in relation to an alteration made to this Policy, (notwithstanding the references to notice period and the refunding of premiums in General Condition 5 b) by notice to the Insured in writing at the Insured's last known address treat this Policy as cancelled with effect from the time when the alteration was made and retain any premiums paid;
 - b** in relation to the inception or renewal of this Policy, avoid this Policy and refuse all claims and retain any premiums paid;
- ii** neither deliberate nor reckless and the Company would not have:
 - a** in relation to an alteration made to this Policy, agreed to the alteration on any terms, the Company may treat this Policy as if the alteration was never made, but in that event the Company:
 - i** will return any extra premium paid; or
 - ii** may (where the total premium was reduced as a result of the alteration), reduce proportionately the amount to be paid on a claim arising out of events after the alteration.

The Company will pay on such claim a percentage of what it would otherwise have been liable to pay (whether on the original terms, or as varied), based on the total premium actually charged compared to the original premium charged; or

- b** entered into this Policy on any terms, the Company may avoid this Policy and refuse all claims but will return any premiums paid; or
- iii** neither deliberate nor reckless and the Company:
 - a** would have entered into this Policy or agreed to the alteration made to this Policy, but on different terms (other than terms relating to the premium), this Policy or the alteration (as applicable) will be treated as if it had been entered into on those different terms if the Company so requires; and
 - b** in respect of an alteration made to this Policy:
 - i** would have agreed to the alteration, but would have charged an increased premium by more than the Company did or (in the case of an unchanged premium) would have increased the premium, the Company may reduce proportionately the amount to be paid on a claim arising out of events after the alteration.

The Company will pay on such claim a percentage of what it would otherwise have been liable to pay (whether on the original terms, or as varied, or under the different terms provided for by virtue of item **b iii a** above), based on the total premium actually charged compared to the premium that the Company would have charged;

- ii** (where the total premium was reduced as a result of the alteration), would have agreed to the alteration and the Company would have increased the premium, would not have reduced the premium, or would have reduced it by less than it did, the Company may reduce proportionately the amount to be paid on a claim arising out of events after the alteration.

The Company will pay on such claim a percentage of what it would otherwise have been liable to pay (whether on the original terms, or as varied, or under the different terms provided for by virtue of item **b iii a** above), based on the total premium actually charged compared to the original premium if the Company would not have changed it, and otherwise the increased or (as the case may be) reduced total premium the Company would have charged.

- c would have entered into this Policy (whether the terms relating to matters other than the premium would have been the same or different), but would have charged a higher premium, the Company may reduce proportionately the amount to be paid on a claim.

The Company will pay on such claim a percentage of what it would otherwise have been liable to pay (making provision for any different terms referred to in item **b iii a** above), based on the premium actually charged compared to the higher premium.

- c The Company shall be entitled to vary the premium and any terms in respect of any ongoing acceptance of cover (where agreed by the Company), in relation to a breach of the duty to make to the Company a fair presentation of the risk.

2 Reasonable Precautions

It is a condition precedent to the liability of the Company that the Insured must:

- a take all reasonable precautions to prevent or minimise loss, destruction, damage, accident or injury;
- b maintain the Premises, machinery, equipment and furnishings in a good state of repair;
- c exercise care in the selection and supervision of Employees; and
- d comply with all relevant statutory requirements, manufacturers' recommendations and other regulations relating to the use, inspection and safety of property and the safety of persons.

3 Change of Risk or Interest

- a It is a condition precedent to the liability of the Company that the Insured shall immediately notify the Company if any alteration be made either in the Business or at the Premises or in any property therein, relating to the duties of the Insured Person (in respect of Section 18: Personal Accident) or in any other circumstances whereby the risk is increased other than in accordance with:
 - i Extensions I Non-Invalidation and M Capital Additions under Section 1: Material Damage, of this Policy;
 - ii Extension A Automatic Cover under Section 12a: Engineering Damage to Machinery and Plant, of this Policy;

- iii Extension A Extra Hardware under Sub-Section 5 (Hardware) of Section 14: Computer and Cyber, of this Policy;

- iv General Condition 1,

at any time after the Effective Date (as stated in the Schedule) of the Period of Insurance.

- b This Policy shall cease to be in force if:

- i the Insured's interest in the Business ends, other than by death; or

- ii the Business is to be wound up or carried on by a liquidator or receiver or permanently discontinued,

at any time after the Effective Date (as stated in the Schedule) of the Period of Insurance, unless its continuance be agreed by the Company.

4 Adjustment of Premium

If any part of the premium or renewal premium is based on estimates declared by the Insured the Insured shall keep an accurate record containing all relevant particulars in making that estimate and shall allow the Company to inspect such record. In addition to any other declaration requirements specified in this Policy, the Insured shall within one month after the expiry of each Period of Insurance provide the Company with a declaration of:

- a wage roll, payments to sub-contractors, overall turnover, turnover in respect of exports to the United States of America and/or Canada and/or their dependencies or trust territories; and
- b total annual carryings in respect of Section 3: Goods in Transit and Section 5: Business Money and Personal Accident (Assault),

for such expired Period of Insurance.

The premium shall then be adjusted based on the difference between the estimate and the declaration. The difference in premiums shall be paid by or allowed to the Insured. Should the Insured fail to supply the information required under this General Condition then the Company shall be entitled to charge a reasonable additional premium.

5 Cancellation

a Cancellation Rights of the Insured

- i This Policy may be cancelled by the Insured within 14 days of receipt of this Policy (this is known as the “cooling off” period). If the Insured elects to cancel within this period they must return all policy documentation to their broker, intermediary or agent, who must return such documentation to the Company and the Company will refund the full amount of premium paid by the Insured. If a claim has been made or an incident notified to the Company that could give rise to a claim during the “cooling off” period, this Policy will be treated by the Company as in force and no refund of premium will be made.
- ii If the Insured elects to cancel this Policy after the “cooling off” period has expired but still during any Period of Insurance, they must give 14 days’ notice in writing to their broker, intermediary or agent. The Insured will be entitled to a proportionate refund of premium based on the number of days remaining in the Period of Insurance, unless a claim has been made (or an incident notified to the Company that could give rise to a claim) during the Period of Insurance when no refund of premium for the Period of Insurance will be made.
- iii Where the Insured pays premiums by instalments, any amount of premium returned under this General Condition will be reduced by any unpaid premiums or instalments due at the time of cancellation.

b Cancellation Rights of the Company

- i The Company may cancel this Policy (or any Section of it) at any time and in any Period of Insurance by giving a minimum of 14 days’ notice in writing to the Insured at the Insured’s last known address.
- ii If the Company cancels this Policy then the Insured will be entitled to a proportionate refund of premium, based on the number of days remaining in the Period of Insurance, unless a claim has been made (or an incident notified to the Company that could give rise to a claim) during the Period of Insurance when no refund of premium will be made.
- iii Where the Insured pays premiums by instalments, any amount of premium refunded under this General Condition will be reduced by any unpaid

premiums or instalments due at the time of cancellation.

The total amount refunded to the Insured will be calculated by the Company in accordance with the process set out above. The calculation made by the Company will be final and binding.

6 Instalments

- a Notwithstanding General Condition 5 b, where the premium under this Policy is payable by instalments and the Insured fails to pay one or more instalments, the Company may cancel this Policy by giving 7 days’ notice in writing to the Insured at the Insured’s last known address.
- b Any amount of premium returned under this General Condition will be reduced by any unpaid premiums or instalments due at the time of cancellation.

The total amount of premium refunded to the Insured will be calculated by the Company in accordance with the process set out in General Condition 5 above. The calculation made by the Company will be final and binding.

7 Choice of Law

The Insured and the Company may choose which law will apply to this Policy. Unless both parties agree otherwise, English law will apply. The Company has supplied this Policy and other information to the Insured in English and the Company will continue to communicate with the Insured in English.

8 Contracts (Rights of Third Parties) Act 1999

A person or company who is not a party to this Policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

9 Survey and Risk Improvement

It is a condition precedent to the liability of the Company that:

- a if required by the Company, the Company will be allowed access to the Premises to carry out a survey either:
 - i after inception of this Policy;
 - ii prior to or post renewal of this Policy; or
 - iii the date the Company confirms cover in respect of an alteration made to this Policy;
- b the Insured will in respect of such survey:
 - i supply an appropriate contact name, contact

telephone number and email address (where appropriate) to facilitate the survey;

- ii co-operate fully with the Company during the visit on the agreed date(s); and
- iii implement any risk improvement requirements set out in a risk improvement report forwarded after survey to the Insured by the Company, within the timescales specified therein and all risk improvement requirements remain in place and fully operational throughout the currency of this Policy.

The Company reserves the right to amend terms, definitions, conditions, clauses, exclusions and premium, of this Policy, or withdraw cover under this Policy if the Insured fails to comply with any of the above. If the Company exercises any of the above options the Company will advise the Insured in writing confirming the action being taken.

10 Fire Extinguishing Appliances

It is a condition precedent to the liability of the Company that fire extinguishing appliances at the Premises are to be kept in efficient working order and maintained according to manufacturer's guidelines.

11 Sanctions, Prohibitions or Restrictions

The Company will not be deemed to provide cover and shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the Company to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Claims Conditions

These Conditions apply to this Policy (other than in respect of Section 12b: Engineering Inspection, of this Policy). The Insured must comply with these Conditions. Where additional Conditions apply to a specific Section of this Policy, they are stated under that Section.

1 Conditions Precedent

Every condition precedent to which this Policy or any Section or item thereof is, or may be, made subject shall, from the time the condition precedent attaches, apply and continue to be in force during the whole currency of this Policy.

2 Action by the Insured

It is a condition precedent to the liability of the Company that the Insured shall:

- a** immediately notify the Company on the happening of any incident which could result in a claim under this Policy and immediately send to the Company every relevant document relating to any impending prosecution, inquest or fatal accident enquiry or civil proceedings;
- b** immediately notify the Company of, and deliver to the Company at the Insured's own expense, a claim with such detailed particulars and proofs as may reasonably be required by the Company and (if demanded by the Company) a statutory declaration of the truth of the claim and any matters connected therewith, within:
 - i** 7 days of the event giving rise to the claim, in the case of loss, destruction or damage, caused by riot, civil commotion, strikers, locked out workers, persons taking part in labour disturbances or malicious persons;
 - ii** 30 days of the expiry of the Indemnity Period (as defined in Section 2: Business Interruption, Section 13: Engineering Business Interruption and Section 15: Loss of Licence, of this Policy respectively) in respect of business interruption claims; or
 - iii** 30 days of the event giving rise to the claim in the case of any other claim, or such further time as the Company may allow; and

notwithstanding items **b i** to **iii** above, the Insured shall immediately forward any claim by a third party or notice of any proceedings or any other correspondence and information received by the Insured relating to such claim on receipt and in respect of any claim or circumstance, relating to a

claim being made against them under Sub-Section 2 (Cyber Liability) of Section 14: Computer and Cyber, of this Policy, the Insured shall record all information relating to such claim;

- c** give immediate notification to the police in respect of:
 - i** vandalism;

- e** take all reasonable action to minimise any interruption or interference with the Business and to prevent further damage or other loss covered by this Policy;
- f** fully co-operate and produce to the Company such books of account or other business books or documents or such other proofs, as may reasonably be required by the Company for investigating or verifying the claim; and
- g** in respect of Damage to the property insured under Sections 12a: Engineering Damage to Machinery and Plant and 14: Computer and Cyber, of this Policy respectively, discontinue use of any damaged property unless the Company authorises otherwise until such property has been repaired to the satisfaction of the Company. Any damaged items including parts that are replaced and any other evidence relating to the claim, shall be kept for inspection by the Company.

3 The Rights of the Company

The Company shall be entitled:

- a** on the happening of any loss, destruction or damage, in respect of which a claim is made under this Policy, and without thereby incurring any liability or diminishing any of the Company's rights under this Policy, to enter, take or keep possession of the premises where such loss, destruction or damage has occurred and to take possession of, or require to be

delivered to the Company any property insured by this Policy and deal with such property for all reasonable purposes and in a reasonable manner;

- b** at its discretion to take over and conduct in the name of the Insured, or any other person, the defence or settlement of any claim and to prosecute at its own expense and for its own benefit any claim for indemnity or damages against any other persons in respect of any risk insured by this Policy, and the Insured shall give all information and assistance required by the Company;
- c** to any property for the loss of which a claim is paid under this Policy and the Insured shall execute all such assignments and assurances of such property as may be reasonably required, but the Insured shall not be entitled to abandon any property to the Company; and

After such payment the Company shall have no further responsibility in connection with such claim(s), except in respect of Sections 7 and 8, of this Policy, for costs and expenses, incurred before the date of payment.

4 Fraudulent Claims

In the event of any claim under the Policy being submitted which in any respect is intentionally exaggerated or fraudulent or if any fraudulent means or devices are used by the Insured or anyone acting on the Insured's behalf to obtain benefit under this Policy, the Company:

- a** shall not be liable to pay the claim;
- b** may recover from the Insured any sums paid by the Company to the Insured in respect of the claim; and

Accordingly, it is a condition precedent to the liability of the Company that any claimant under this Policy shall, at the request and expense of the Company, take and permit to be taken all necessary steps for the Company to enforce any rights against any other party in the name of the Insured before or after any payment is made by the Company.

6 Other Insurances

Unless otherwise stated in this Policy:

- a** if at the time of any Occurrence (as defined in Section 6: Employers' Liability, Section 7: Public Liability and Section 8: Products Liability, of this Policy respectively), incident, loss, destruction or damage, which gives rise to a claim, there is any other insurance effected by or on behalf of the Insured applicable to such Occurrence, incident, loss, destruction or damage, the liability of the Company shall be limited to its rateable proportion thereof; and
- b** if any other such insurance is subject to any provision whereby it is excluded from ranking concurrently with this Policy, whether in whole or in part or from contributing rateably, then the liability of the Company hereunder shall be limited to any excess beyond the amount which would have been payable under such other insurance had this Policy not been effected.

7 Arbitration

If any differences arise as to the amount to be paid under this Policy (liability being otherwise admitted) such difference will be referred to an arbitrator in England who will decide the matter in dispute according to English law and will be appointed by the parties in accordance with the relevant English statutory provisions for the time being in force. Where any such difference is to be referred to arbitration under this Claims Condition, the making of an award will be a condition precedent to any right of action against the Company.

If the Sum Insured on any item at the time of Damage is less than 85% of the cost of reinstating the whole of the Property Insured by such item at the time of Reinstatement, then the liability of the Company shall not exceed that proportion of the amount of the Damage which the said Sum Insured shall bear to the sum representing the total cost of reinstating the whole of such property at that time.

2 Where by reason of Provision 1 of Clause 2 (Reinstatement Basis of Settlement) above no payment is to be made beyond the amount which would have been payable if Clause 2 above had not been incorporated therein, the rights and liabilities of the Company and the Insured, in respect of Damage, shall be subject to the terms, definitions, conditions, clauses and exclusions, of the Policy, including Average as if Clause 2 above had not been incorporated, except that the Company's liability in respect of each item of Property Insured to which this Clause applies shall not exceed its Sum Insured.

3 For the purpose of this Clause, Provision 4 of Clause 2 above is restated as follows:

4 Notwithstanding the General Definition of Average, each item insured under this Clause is declared to be separately subject to the following Condition of Average:

If the Declared Value of any item at the time of the Damage is less than the cost of reinstating the whole of the Property Insured by such item at the inception of the Period of Insurance, then the liability of the Company shall not exceed that proportion of the amount of the Damage which said Declared Value shall bear to the sum representing the total cost of reinstating the whole of such property at the inception of the Period of Insurance.

- c On the expiry of each Period of Insurance the actual premium shall be calculated at the rates pertaining to that Period of Insurance on the average amount insured i.e. the total of the sums declared divided by the number of declarations. If the actual premium be greater than the deposit premium paid, the Insured shall pay the difference. If it be less, then the difference shall be repaid to the Insured subject to the Company retaining 50% of the annual premium calculated at the commencement of the Period of Insurance.

5 Stock – Maximum Value Basis

This Clause only applies if Stock – Maximum Value Basis is stated as Operative in the Schedule.

In consideration of the Sum Insured for each item covering Stock in Trade, Non-Ferrous Metals, Cigarettes and Tobacco, Wines and Spirits, Stock in Trade in the Open or any other item of stock more specifically insured, being declared by the Insured to be the maximum anticipated value of such stock at the Premises during the Period of Insurance, a premium discount proportionate to 20% of the respective Sums Insured has been allowed and such items will be subject to the Provisions set out below.

If the recorded amount exceeds the Sum Insured applicable at the date of such record then, for the purposes of this Clause only, the Insured shall be deemed to have recorded such Sum Insured.

The contract is made up of this document and the Schedule setting out details of the Client's Inspection Services. These make up the entire contract between the Client and HSB and must be read together. Please keep them safely together.

HSB will use the information the Client provides to decide whether to provide Inspection Services to the Client. - b** HSB will make reasonable attempts to contact the Client, using the information the Client has provided, to arrange an appointment to undertake the Inspection Services. If HSB are unable to make contact with the Client or the Client fails to prepare or make the Plant available (at a date and time HSB agreed), HSB will notify the Client within HSB's Report and this will be deemed to have met HSB's obligations to provide the Inspection Services on this occasion. - c** If required by the applied Statutory Regulations, where defects are identified which are or could become a danger to life, the Competent Person must immediately notify the Client and forward a copy of the Report to the relevant enforcing authority.

 - vi** maintenance or repair of the Plant.
- b** To the extent that the Inspection Services include a Thorough Examination of the Plant item, unless HSB agree otherwise in writing, the Thorough Examination will not include:
- i** carrying out or witnessing tests which are not routine (unless these are the responsibility of the Competent Person in an HSE (Health & Safety Executive) or SAFed (Safety Assessment Federation) Approved Code of Practice or Guidance);
 - ii** for boiler or pressure Plant – ultrasonic radiographic hydrostatic or other non-destructive testing, or production of Written Schemes;
 - iii** for lifting and handling Plant – proof load, stability, anchorage, supplementary or similar testing in accordance with industry guidance or Thorough Examination as needed when exceptional circumstances have taken place;

The Client will indemnify HSB against any claims made against HSB and all damages, costs and expenses HSB may suffer as a result of any third-party claim arising out of the Client's failure to keep to the Client's responsibilities under this Section 12b.

If the Client or someone else makes a claim against HSB (for example, in relation to any actual or alleged failure to keep to Statutory Regulations, any defect in the Plant or any damage or injury caused by the Plant), unless HSB have been negligent carrying out the Inspection Services, the Client must agree that HSB are not responsible for, and fully refund HSB for, all losses and expenses that HSB may suffer.

Neither this Section 12b, or HSB providing the Inspection Services, replace the Client's legal duty under relevant Statutory Regulations to have the Client's Plant undergo a Thorough Examination or Inspection, nor do they relieve the Client of any legal responsibility the Client may have to anyone else as a result of any defect in the Plant, or for any change or injury which may be caused by how the Plant is used.

5 Fees, Additional Charges and Taxes

The Company will calculate the Fee for the Inspection Services on the Plant the Client tells the Company about at the start of the Term and the Client must pay the Fee.

The Company will adjust the Fee:

- e** to account for any changes to the Plant or to the frequency of the Inspection Services; or
- f** for anything beyond HSB's reasonable control (for example a change in Statutory Regulations or legislation) that increases HSB's cost in providing the Inspection Services.

If HSB change the Fee, HSB will also make an extra charge, which the Client must pay, to cover HSB's reasonable administration costs.

Neither the Client nor HSB will use the other's information for any purpose other than to carry out the responsibilities under this Section 12b unless required to do so by law or regulation.

11 Waiver of Rights

If HSB or the Client fails to enforce any of the rights under this Section 12b, it does not mean they cannot be enforced in the future.

The Client can cancel this Section 12b at any time during the Term by writing to their broker, intermediary or agent. When the Company receives the Client's notice, the Company will cancel this Section 12b and send the Client a refund.

That refund will be calculated on the value of the Fee for Inspection Services not yet provided at the date the Company receives the Client's notice of cancellation. If the Fee the Client has actually paid does not cover the Inspection Services the Client has received, the Client must pay the Company the difference.

13 The Company's Rights to Cancel this Section 12b

With the exception of the Client behaving in an illegal or immoral manner, where the Company reserves the right to cancel this Section 12b with immediate effect, the Company may cancel this Section 12b at any time by giving a minimum of 14 days' notice to the Client at the Client's last known address.

Services the Client has received, the Client must pay the Company the difference.

14 Access to the Plant

The Client must allow HSB access to the Premises and Plant during Normal Working Hours or as agreed between the Client and HSB. If Plant can be moved, the Client must tell HSB the precise location of the Plant with enough notice as agreed in writing between the Client and HSB.

Conditions applicable to this Section

The following Conditions apply to this Section.

1 Representation

- a On receiving a claim, if representation is necessary, DAS will appoint a Preferred Law Firm or tax consultancy as the Insured Person's Appointed Representative to deal with the Insured Person's claim. They will try to settle the Insured Person's claim by negotiation without having to go to court.
- b If the appointed Preferred Law Firm or tax consultancy cannot negotiate settlement of the Insured Person's claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the Insured Person may choose a law firm or tax expert to act as the Appointed Representative. DAS will choose the Appointed Representative to represent the Insured Person in any proceedings where the Company is liable to pay a compensation award.
- c If the Insured Person chooses a law firm as their own Appointed Representative who is not a Preferred Law Firm or tax consultancy, DAS will give the Insured Person's choice of law firm the opportunity to act on the same terms as a Preferred Law Firm or tax consultancy. However, if they refuse to act on this

basis, the most the Company will pay is the amount the Company would have paid if they had agreed to the DAS Standard Terms of Appointment. The amount the Company will pay a law firm (where acting as an Appointed Representative) is currently £100 per hour. This amount may vary from time to time.

- d The Appointed Representative must co-operate with DAS at all times and must keep DAS up to date with the progress of the claim.

2 The Insured Person's responsibilities

An Insured Person must:

- a co-operate fully with DAS and the Appointed Representative; and
- b give the Appointed Representative any instructions that DAS or the Company ask the Insured Person to provide.

3 Offers to settle a claim

- a An Insured Person must tell DAS if anyone offers to settle a claim and must not negotiate or agree to any settlement without the expressed consent of DAS.
- b If an Insured Person does not accept a reasonable offer to settle a claim, the Company will not pay further Costs and Expenses.
- c The Company may decide to pay an Insured Person the reasonable value of the claim that the Insured Person is claiming or is being claimed against them instead of starting or continuing legal action. In these circumstances an Insured Person must allow DAS to take over and pursue or settle a claim in their name. An Insured Person must allow DAS to pursue at DAS' own expense and for their benefit, any claim for compensation against any other person and an Insured Person must give DAS all the information and help DAS need to do so.

4 Assessing and recovering costs

- a An Insured Person must instruct the Appointed Representative to have Costs and Expenses taxed, assessed or audited if DAS ask for this.
- b An Insured Person must take every step to recover Costs and Expenses and court attendance and jury service expenses that the Company has to pay and must pay the Company any amounts that are recovered.

5 Cancelling an Appointed Representative's appointment

If the Appointed Representative refuses to continue acting for an Insured Person with good reason or if an Insured

Person dismisses the Appointed Representative without good reason, the cover the Company provides will end at once, unless DAS agrees to appoint another Appointed Representative.

6 Withdrawing cover

- a If an Insured Person settles a claim or withdraws their claim without the agreement of DAS, or does not give suitable instructions to the Appointed Representative, the Company can withdraw cover and will be entitled to reclaim any Costs and Expenses which DAS have paid on behalf of the Company.
- b If during the course of a claim Reasonable Prospects no longer exist, the cover the Company provide will end at once. The Company will pay any Costs and Expenses and compensation awards the Company have agreed to, up to the date cover was withdrawn.

7 Expert opinion

If there is a disagreement between an Insured Person and DAS on the merits of the claim or proceedings, or on a legal principle, DAS may suggest the Insured Person obtains, at their own expense, an opinion on the matter from an independent and appropriate expert.

The expert must be approved in advance by DAS and the cost expressly agreed in writing between the Insured Person and DAS. Subject to this, the Company will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the Insured Person will recover damages (or obtain any other legal remedy that DAS have agreed to) or make a successful defence.

This does not affect the Insured Person's rights under Condition 8 of this Section.

8 Arbitration

If there is a disagreement about the handling of a claim and it is not resolved through DAS' internal complaints procedure, the Financial Ombudsman Service may be able to help. This is a free arbitration service for eligible complaints. (Details available from www.financial-ombudsman.org.uk.)

If the dispute is not covered by the Financial Ombudsman Service, there is a separate arbitration process available. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, DAS will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.

9 Keeping to the Section terms

An Insured Person must:

- a take reasonable steps to avoid and prevent claims;
- b take reasonable steps to avoid incurring unnecessary costs;
- c send everything the Company or DAS ask for in writing;
- d report to DAS full and factual details of any claim as soon as possible and give DAS any information that is needed; and
- e keep to the terms and conditions of this Section of the Policy.

10 Other insurances

Notwithstanding Claims Condition 6 under this Policy, if any claim covered under this Section is also covered by another policy, or would have been covered if this Section did not exist, the Company will only pay the Company's share of the claim even if the other insurer refuses the claim.

11 Applicable Law

All Acts of Parliament mentioned in this Policy include equivalent laws in Scotland, Northern Ireland, the Channel Islands and the Isle of Man as appropriate.
