# NIG FIRST – PRODUCT TRAINING WEBINARS

## WHAT IS IT?

You are invited to our complementary Product Training Webinars. We have introduced short, sharp 1 hour sessions over 2018 covering all our products.

These webinars will be delivered by our internal Regional Underwriters and are aimed to offer a good introduction of the covers NIG provide on each product in an understanding to grow our risk appetite. Detailed information on each product generally within the insurance market. This in turn should support the conversations your staff have with your customers as well as NIG Underwriters.

### **Who is it aimed at?**

These sessions are ideal for customer facing staff within a Commercial Insurance environment; for example Account Execs, Handlers.
