Had a breakdown? Don't panic!

What to do if you break down

Pull as far off the road as you can, switch on your hazard lights and display a warning triangle if you have one. Use your mobile phone or walk to the nearest phone and call our Emergency Centre on 0345 600 2126. Let us know if you want us to contact your business associates, family or friends to let them know you are delayed.

If you have a smart phone with you, try and use its mapping app to pinpoint your location. If it's safe to do so and you are able, lift the bonnet of your vehicle as this will help our breakdown specialist to find you.

When help arrives, check that the Green Flag breakdown specialist identifies you by name and shows you their identification.

There may be times when we receive unusually high volumes of calls from customers needing our help – for example, if it snows or it is extremely cold. During these periods there could be a delay in reaching you, so in order to ensure that customers who are in a vulnerable situation reach a safe place quickly we will look at where you are, who you are with, what your situation is and prioritise accordingly.

A motorway breakdown

It's important to take extra care when breaking down on a motorway. It is better to use the closest emergency phone rather than your mobile, as the police will be notified of your location. If possible, try to drive to an emergency phone.

If you can't drive any further, a marker post every 100 metres will point you to the nearest phone. Phones are situated approximately 1 mile apart. Never cross the carriageway to reach a closer phone.

Calls are free from an emergency phone, lift the handset and the phone will connect with the control centre – they will know where you are.

Make sure everyone leaves the vehicle by the doors furthest from the carriageway and stands well back from the carriageway.

Be ready to give your vehicle registration number to the person who answers and tell them you are with Green Flag.

Vehicle locating via mobile signal

If you use a mobile phone to request service under your policy we may, within half an hour of your call to us, use the mobile signal to help identify the location of the immobile vehicle. We will not use the signal for any other purpose.

Our Green Flag app

If you've got a Smartphone, you can install our free Green Flag app. It's got a GPS location finder for exactly where you are.

For more info, search your app store for Green Flag, or go to greenflag.com

- We will relay telephone messages to your business associates, family members or friends to advise of unforeseen travel delays following a breakdown.
- Options to choose from if your vehicle cannot be repaired at the roadside.
- We will cover specialist equipment charges, ferry costs and toll fees.
- We may choose to repair the vehicle (at your cost) following a breakdown, rather than arranging for it to be recovered.
- We won't be able to help you if the vehicle doesn't meet the legal requirements and driving laws that apply – for example, it may need to be taxed and have a valid MOT certificate. We can check these details when you ask us for help.
- Cover will not apply for any incident that is a result of:
 - an inadequate repair or attempted repair carried out during the course of the same journey, unless the repair has our approval beforehand or;
 - you failing to correct a mechanical or electrical fault we told you about when we responded to a claim under the cover.
- The recovery of any vehicle bearing trade plates or which has just been imported or purchased at auction is not covered.
- European cover is available for vehicles up to 16 years old.
- We can repair/recover your vehicle after an accident that results in damage that would normally be the subject of a motor insurance claim by you or a third party but you will be responsible for any costs involved. You may be able to recover these from your motor insurer.

- You can cancel your policy by contacting us at any time to arrange cancellation. If you do this within 14 days of receiving your documents we will return any premium paid unless a claim has been made. If you cancel after that, we will refund the part of the premium you have not used provided no call outs have been made in which case the full yearly premium is payable.
- You can only reduce your level of cover at renewal.

- this policy booklet from pages 6 to 22.

This policy is evidence of the contract between you and us, U K Insurance Limited, based on information you have given to us.

In return for receiving and accepting the premium, we will provide the cover described in this policy on condition that you and all passengers observe the respective driving licence conditions and all the terms, definitions, conditions and exclusions laid down in this booklet for the sections applicable to you, either UK or UK and Europe as shown in the mini fleet schedule during the period of cover.

Under European law, we can agree which law applies to this contract and how we communicate with you. English law will apply and we will continue to supply information and communicate with you in English unless we've agreed otherwise.

You must take care to provide us with accurate information which is correct to the best of your knowledge. Failure to provide correct information or inform us of any changes could adversely affect your policy, including invalidating your policy or causing claims to be rejected or not fully paid.

Green Flag Breakdown Cover in the UK Section A – UK Breakdown

What is covered

Following an **incident** occurring at the roadside or at **home** we will attend and attempt to repair the **vehicle**. If **your vehicle** can't be fixed locally the same day, we'll take **you, your passengers** and **your vehicle** to a place of **your** choice, anywhere in the UK.

- If the breakdown occurred at **home**, we'll take **you** to a place of your choice within 20 miles.
- If the breakdown was caused by a flat or damaged tyre, we will take **you** to a place of **your** choice within 10 miles of the **incident** so that the tyre can be repaired or replaced. If there's nowhere open because **you** broke down late at night, or somewhere remote, this limit won't apply. We may choose to arrange recovery of the **vehicle** separately to **you** and **your passengers** – we will tell **you** if we are going to do this and let **you** know when the **vehicle** can be delivered.

If the chosen repairer is closed and **you** choose to have the **vehicle** taken to **your home**, we will collect it the next day (or when mutually acceptable if the next day is not possible) and take it to the chosen repairer.

If it is apparent to **us** that repairs cannot be completed by the end of the working day, we will arrange and pay for **your** choice of:

- where available, a self-drive hire vehicle of an equivalent level up to a maximum of 1600cc for a continuous 48 hour period whilst **your vehicle** is awaiting repairs, up to a maximum of £100; or

- the cost for **you** and any **passengers** to either continue the journey or return to **your home** by **our** choice of alternative transport, up to a maximum of £100; or
- overnight accommodation including breakfast (excluding alcohol) for **you** and any **passengers** in a local hotel whilst awaiting repairs, provided that the **incident** occurs more than 25 miles from **your home** and intended destination, up to a maximum of £150 per person or £500 per **incident**.

If the driver falls ill and can't drive, and none of the passengers are authorised to drive either, we'll get **you** all to one destination **you've** chosen, anywhere in the **UK**. We'll need to see a medical certificate to show the driver's unsafe. We might send out a driver, to take you where **you've** chosen to go.

If necessary, we will also pay for one single standard class rail ticket for the **policyholder** or any authorised driver to collect the **vehicle** following repair.

If **you** put the wrong fuel in **your vehicle** whilst using it in the **UK** we'll arrange and pay to have the tank drained. And we'll do that at the place where it happened, or if that's not possible, at a garage we've chosen. We'll try to get **you** going again and we'll make sure **you've** got enough of the right kind of fuel to get **you** to the nearest filling station if necessary. We'll also safely dispose of the contaminated fuel.

Please remember

A hire **vehicle** is provided subject to **you** meeting the conditions of the hirer. Any claims involving the hire of a **vehicle** must have **our** prior approval.

We cannot guarantee to provide a **vehicle** with a roof rack or tow bar.

This level of cover will not be effective until the day after **you** have arranged this cover for the first time.

Due to European driving laws, long distance recovery may have to be carried out in stages.

What is not covered

- Labour charges at any repairer to which the **vehicle** is taken.
- The cost of any parts and/or materials used to repair the **vehicle**.
- The cost, if needed, of a locksmith or a body, glass or tyre specialist.
- Onward transportation where **you** cannot continue **your** journey due to being unable to drive following a period of hospitalisation.
- Any of the onward travel options listed if **your vehicle** is used to transport people or things for money, such as a taxi or courier service (unless specifically agreed by **us**).
- Any costs where **we** have not been contacted at the time of the **incident**.
- **Vehicle** hire not authorised by **us**.
- **Vehicle** hire in the event of the **vehicle** requiring routine servicing, or for other repair work to correct non immobilising faults or undergoing repair of cosmetic damage.
- The cost of fuel and oil used in any **vehicle** or any additional insurance offered by the replacement **vehicle** hirers.
- If **you've** put the wrong fuel in **your vehicle** and it's damaged the engine, **we** won't cover the cost of repairing it. **You** might be able to claim towards that on **your** car insurance.

Green Flag Breakdown Cover in Europe Section B – European Breakdown

In addition to all the services and benefits supplied under Section A, **you** can use those detailed under this Section B for any number of **trips** up to a maximum of 90 days in total.

Cover in **Europe** will not apply for **vehicles** that are 16 years or older when cover is taken out for the first time.

Important information about driving in Europe

Mobile phones

If **you** contact **us** from **your** mobile phone, **your** service provider may charge **you**. **You** may also have to pay for the call if **you** ask someone to call **you** back. **Your policy** does not cover the cost of these calls.

It may be necessary to use a conventional landline phone in certain places if the mobile network is less stable than in the **UK**.

Vehicle registration document/V5

You will need to carry the original **vehicle** registration document when driving in **Europe** as proof that **you** are the owner of the **vehicle**. If this is not available, **you** will need to take a letter of authority from the owner and a Vehicle on Hire Certificate (VE103) instead.

Vehicle hire information

Vehicle hire companies will want to see **your** original driving licence. If **you** hold a photocard licence **you** will need to take the paper counterpart as well. In some countries **you** will need to take an International Driving Permit as well as **your** driving licence. This is not required in EU Member States. A credit card must be available

if the **vehicle** hire benefit is used as the **vehicle** hire company will need to swipe the card as security.

European motorways and autoroutes

If **you** break down on a motorway or major public highway in certain parts of **Europe** (France, for instance), the emergency telephone will be answered by the police. They will then send a local recovery vehicle out to **you**. As very few of these recovery agents have links with **UK** motoring organisations, **you** may have to pay for this assistance on the spot. If **you** do, keep all receipts and send them to **us** on **your** return to the **UK**, **we** will then reimburse **you** for recovery and roadside repairs (except spare parts). If the repair is made in a garage, the cost is not covered and **you** should pay the whole cost of the repair.

Section B1 – Cover prior to departure

What is covered

Following an **incident** occurring during the 7 days immediately preceding the arranged date of departure from the **UK**, **we** will pay up to a maximum of £800 towards:

- hiring a self drive hire **vehicle**, where available, for the purpose of carrying out the **trip**, in the event that the **vehicle**, if stolen, is not recovered before the arranged date of departure, or the **vehicle** cannot be repaired within 24 hours following the booked time of departure for the **trip**;
- the additional cost of re-booking any sea crossing or rail journey via the channel tunnel missed as a result of the **incident** giving rise to a claim (or, where the original route is unavailable, the nearest suitable alternative sea crossing or rail journey via the channel tunnel), in the event that the **vehicle** is repaired within 24 hours of the original time of the planned departure for the **trip**.

Please remember

Any claim involving the hire of a **vehicle** must have **our** prior approval. **You** must contact **us** as soon as **you** know **your vehicle** may be unavailable for the planned **trip**. **Your** claim must be supported by a letter from a garage confirming:

- the regular maintenance and servicing of **your vehicle**;
- precise details of the breakdown or damage;
- the breakdown, when occurring, was sudden and unforeseen;
- that repairs cannot be effected before the date planned for **you** to begin **your trip**.

What is not covered

- Any claim resulting from breakdown if **you** have purchased this cover less than 7 days before **your** planned date of departure.
- Any claim when actual or imminent breakdown of **your vehicle** is discovered or diagnosed in the course of a service carried out less than 7 days prior to **your** planned date of departure.
- **Vehicle** hire in the event of the **vehicle** requiring routine servicing, or for other repair work to correct non-immobilising faults or undergoing repair of cosmetic damage.
- The cost of fuel and oil used in any **vehicle** or any additional insurance offered by the **vehicle** hirers.

Section B2 – Roadside assistance

What is covered

We will arrange and pay for a local motoring assistance provider to attend and attempt to repair the **vehicle** or, if necessary, provide and pay for transportation of the **vehicle, you** and **your passengers** to the nearest suitable repairer, up to a maximum cost of £250.

Please remember

A garage or specialist undertaking repair work (other than at the roadside) will be acting as **your** agent for such repair work.

What is not covered

- Charges for any labour not incurred at the roadside.
- The cost of replacement parts or other materials.

Section B3 – Replacement parts

What is covered

In the event of necessary replacement parts not being available locally during the **trip**, on receipt of **your** instructions, **we** will:

- undertake to obtain them elsewhere and pay all freight charges involved in dispatching them to the location of the **vehicle**.

Please remember

Although **we** will endeavour to provide the replacement parts required, **we** can give no guarantee they will be available, especially in the case of older **vehicles** where parts may be impossible to locate. If **you** place a firm order for replacement parts and these are not subsequently required, or **you** do not await their arrival, **you** will be responsible for the cost of such parts, including all forwarding charges rising from their return.

What is not covered

- The actual cost of the parts and any customs duty. This must be paid to **us** by **you**, by a debit to a credit or charge card or by a prior deposit of funds in the **UK**.
- The costs of returning any replacement parts or original parts to a supplier.

Section B4 – Break in

What is covered

In the event of a theft (or attempted theft) of the **vehicle** or the contents contained in the **vehicle** during the **trip**, we will:

- pay up to a maximum of £175 for immediate emergency repairs and/or replacement parts, which are necessary to place the **vehicle** in a secure condition to continue the **trip**.

Please remember

You must obtain a crime reference number within 24 hours of the **incident** giving rise to the claim.

What is not covered

- Damage to paintwork or other cosmetic items.
- Costs incurred following **your** return **home**.
- The contents of the **vehicle**.

Section B5 – Vehicle out of use

What is covered

If an **incident** occurs during the **trip** and repairs cannot be effected within 24 hours, **we** will arrange and pay for one of the following:

- the additional cost of transporting **you**, and any **passengers** with **your** personal belongings (excluding items of furniture, camping equipment and/or winter sports equipment), to **your** destination by alternative transport, or
- the immediate hire of a **vehicle**, where available, whilst the **vehicle** remains unserviceable, up to a maximum of £800, or
- overnight accommodation including breakfast (excluding alcohol) in a local hotel for **you** and any **passengers** whilst awaiting completion of repairs, up to £45 per person per day with a maximum limit of £500 in total, provided that such cost is additional to or in excess of any planned accommodation costs payable by **you**, had loss of use of the **vehicle** not occurred.

Please remember

A hire **vehicle** is provided subject to **you** meeting the conditions of the hirer. Any claims resulting in the hire of a **vehicle** must have **our** prior approval. It is **your** responsibility to collect the hire **vehicle**. **We** cannot guarantee to provide a **vehicle** with a roof rack or tow bar. Hire **vehicles** provided within **Europe** must stay in the country where they were hired. If **you** have to pay for the services locally, **you** will be reimbursed provided **you** obtained approval from **us** before incurring the expenditure.

What is not covered:

- The cost of fuel and oil used in any hire **vehicle** or any additional insurance offered by the **vehicle** hirers.
- The cost of transporting furniture, camping equipment or winter sports gear. **We** might be able to help, but **you**'ll need to pay extra.

Section B6 – Camping trips

What is covered

If the tent **you** are carrying with **you**, and using in the course of the **trip** as **your** principal overnight accommodation, is rendered unserviceable through theft or accidental damage **we** will arrange and pay for:

- if practicable, the hiring of a suitable tent, where available, for the remainder of the period of the **trip**, or
- emergency bed and breakfast only expenses (excluding alcohol) over and above those planned for **you** and any **passengers**, up to £45 per person per day, with a maximum limit of £500.

What is not covered

- Any expenses incurred as a result of adverse weather conditions which do not actually damage the tent so as to render it unserviceable.
- Loss of use of any tent which belongs to a tour operator or holiday company.
- Any damage caused by a dog or dogs accompanying **you** on the **trip**.
- Tents that belong to holiday companies or tour operators.
- Expenses where **your** tent wasn't too damaged to be used.
- The cost of any alcoholic drinks.

Section B7 – Alternative driver

What is covered

In the event of **you** being declared medically unfit to drive the **vehicle** in the course of a **trip** or having to return **home** early because of what **we** agree is a serious or urgent reason and there is no other **passenger** qualified and competent to drive, **we** will pay all necessary additional costs incurred to return the **vehicle** to **your home**.

Please remember

We may elect to provide a qualified driver to drive back the **vehicle** and **passengers**. Any unused travel tickets must be used for repatriation of the **vehicle**.

Section B8 – Repatriation

What is covered

If **your vehicle's** stolen while **you're** on a **trip** and **you** don't get it back in a safe condition to drive, or if it breaks down and can't be repaired in time for your journey back, **we'll** pay to bring **you, your** passengers and **your vehicle home** to the **UK** using **our** choice of transport.

We'll pay for any garage storage that's needed up to £100. And **we'll** pay for any extra transportation or shipping. Or, if **you** agree it with **us** in advance, **we'll** pay up to £600 for one person to come out to **your vehicle** by public transport, to drive it back to the **UK** once it's been repaired abroad.

Once **you** have been repatriated by **us** and if **we** are transporting **your vehicle** to the **UK**:

- **We** will reimburse **you** for up to 7 days necessary alternative travel costs **you** incur while **you** await delivery of the **vehicle**.
- **We** will pay the cost of such travel up to a maximum of £75 in total for **you** and any **passengers**.
- This benefit will cease after 7 days or when **we** deliver the **vehicle** to **your home** or to the repairer designated by **you** (whichever is the sooner).
- **You** must keep all receipts and invoices for the travel **you** have incurred, and send these to **us** with **our** claim form.

Please remember

The maximum **we** will pay to repatriate the **vehicle** will be its current market value in the **UK**. **Vehicle** repatriation will only be carried out when it is apparent that repairs can be effected in the **UK** and when **you** confirm to **us** that these repairs will be put in hand. Any unused travel tickets must be used for repatriation of the **vehicle**.

What is not covered

- Loss or theft of, or damage to, unaccompanied baggage (other than a manufacturer's tool kit) left in the **vehicle** if **you** and/or the **vehicle** are being transported by **us**.
- Any additional costs incurred to repatriate **your** pet(s).
- Loss or damage to the **vehicle** whilst it is being transported by sea or rail (unless the loss or damage is caused by **our** negligence).
- Repatriation of items of furniture, camping equipment and/or winter sports equipment.
- Fuel costs.

Section B9 – Customs regulations

What is covered

If, following an **incident** occurring outside the **UK** during a **trip**:

- the **vehicle** is beyond economic repair, **we** may arrange for its disposal under customs supervision in the country where it is situated. If **we** do, **we**'ll make all the arrangements and pay for the cost of storage up to £100 if there's a delay;
- the **vehicle** is not taken permanently out of the foreign country within the limited time allowed after import, or **you** inadvertently fail to observe the import conditions which permit import for a limited time without payment of duty, then **we** will pay **your** liability for any duty claimed from **you**.

What is not covered

- The cost of any other import duties imposed by customs.

Section B10 – Missed motorail connection

What is covered

If **you** fail to connect with a pre-booked motorail service on the outward journey as a result of:

- **you** arriving at the departure point in the country of departure too late to commence the booked **trip** due to an **incident** involving the **vehicle** in the course of the **trip**; or
- cancellation or curtailment of scheduled public transport due to adverse weather conditions, strike or industrial action or mechanical breakdown or disturbance.

We will arrange and pay for

- storage of the **vehicle** in a secure parking area, if available, near to the motorail depot for the period of the **trip**;
- a standard second-class return rail ticket to enable **you** to continue the **trip** to/from the intended motorail destination station;
- hire of a **vehicle**, where available, up to a maximum of £450.

Please remember

You must have taken every reasonable step to complete the journey to the departure point and to the motorail depot on time.

What is not covered

- Strike or industrial action which is public knowledge at the time of effecting the cover.

- Labour charges at any garage **your vehicle** is taken to.
- Oil, materials or parts' costs.
- Any contents of **your vehicle** that are lost or damaged, unless they're lost or damaged while **we**'re looking after them. (**You** need to take any valuables with **you**.)
- Costs or losses that aren't immediately to do with getting **your** car back on the road. For instance, **you** can't claim for lost earnings if **your** breakdown means **you**'re late for work.
- Costs to do with accidents that would usually be covered by car insurance, either belonging to **you** or somebody else.
- Charges where any of the emergency services have insisted on **your vehicle** being recovered straight away, unless it happens outside the **UK** (section B).
- **Vehicles** situated in areas to which **our** agents have no right of access or on motor traders' premises.

If **we** do anything for **you** that isn't covered by **your** policy, **we** can charge **you** for that. If **we** do, **you**'ll need to pay us within a month of **us** asking.

If **you** use a repair garage for anything, they'll be **your** agent, acting on **your** behalf. **We**'re not responsible for anything they do, or any problems they cause.

We can't give any kind of warranty for the work done by a repairer in a garage, or any kind of promise that they'll fix **your vehicle** quickly. **You**'ll have to tell them what **you**'d like them to do, and pay for any repairs.

TIMES WE CAN'T HELP, OR WILL NEED TO CHARGE EXTRA

There are some situations where **we**'ll be able to help you at the roadside, but not with recovery or transportation unless you pay an extra charge and **we**'ve got a special licence:

- If **your vehicle**'s just been imported, or just been bought at auction.
- If **your vehicle**'s still got trade plates on it.
- Where the delivery of the **vehicle** itself is the subject of a commercial activity.

There are others where **we**'ll only be able to help **you** if **you** pay extra for the cost of the service:

- If **you** haven't fixed a fault that's led to **you** calling us out already within the last 28 days.

And there are some circumstances where **we** won't be able to help **you** at all:

- If **your vehicle** breaks down in a place **we** can't get to.
- If **your vehicle** going to be dangerous or illegal to load or transport.
- If **your vehicle** doesn't meet the legal requirements and driving laws that apply – for example, it may need to be taxed and have a valid MOT certificate. **We** can check these details when **you** ask **us** for help.
- If **your vehicle** is ever used to carry things or people for money (unless specifically agreed by **us** when **you** first took out the cover). For example, as a courier service or taxi.
- If **your vehicle** involved in motor racing, off-road driving, rallies, track days, duration or speed tests.
- If **you** or anyone in **your** group is threatening or abusive.

REDUCING YOUR COVER

The only time **you** can reduce **your** cover is when **you** renew **your** policy, or in the 14-day 'cooling off period' that **you** get every time **you** buy or renew.

General conditions applying to this cover

WHAT YOU'VE GOT TO DO

For the cover to apply, **you've** got to make sure **your vehicle's** fit to drive when **you** take out **your policy**, and at the start of each journey. **You've** also got to make sure **your vehicle's** properly looked after, as recommended by the manufacturer. And to take all reasonable steps to stop it from breaking down, or being damaged or stolen. **You** agree that **we** can carry out an inspection of **your vehicle** at any time.

STOPPING FRAUD

We're out to stop fraud. If **you** or anyone **you** know tries to make a false or exaggerated claim, **we** might cancel **your policy**, keep any premiums, and stop **your** service. **You** might also have to pay us back for any costs **we've** incurred, including ones to do with investigating false claims.

If **you've** got any other Green Flag or U K Insurance Limited products, **we** might cancel those too. And **we** could share details with other organisations or authorities, to stop fraud in the future, or to start criminal proceedings.

IF YOU BREAK DOWN

Contact us as soon as **you** can if **you** break down. Wait with **your** car or somewhere safe nearby, unless **we** ask **you** to do something else. **We'll** only pay for repair or recovery costs that **you've** agreed with **us** up front, so don't pay for anything till **you've** spoken to **us**. Keep all receipts and invoices, too. **You'll** need to send them to **us**, along with our claim form, to settle a claim.

General conditions [continued]

If it takes special equipment to recover **your** car, like cranes, winches or skates, **we**'ll pay for the cost of using that, unless it's needed after an accident that could be covered by a motor insurance claim.

And if any of the emergency services come out to **your** breakdown, **we** won't be able to do anything with **your** car until they say **we** can. If **we** do take **your** car away, make sure **you** take out any valuables.

REPAIRS

In the event of an **incident** which requires repairs, unless otherwise indicated by the driver, the **policyholder** authorises the driver of the vehicle to instruct repairs to be carried out up to a limit of £250 (excluding VAT) for parts and labour. For anything over that amount, the repairer will contact the **policyholder** for authorisation of payment before repairs are started.

We reserve the right to repair the **vehicle** (at **your** cost) following a breakdown, rather than arranging for it to be recovered.

Once the repairs are done it's up to you to collect your car once it's been repaired.

If **we** must make a payment because the laws of any country require **us** to do so, **we** may recover from **you**, or the person who is liable for any payment that is not covered by this **policy**.

IF YOUR CAR'S STOLEN

The first thing **you** should do is call the police. Give **us** a call after that, and **we**'ll do everything **we** can to help. Remember to take a note of the Crime reference number as **we** will ask for that.

PROBLEMS WITH KEYS

If **your** car keys are lost, broken or stolen, **we**'ll pay for someone to come out to **your** car and try to get into it. **We** won't pay for repairing, replacing, or re-programming keys. Or for any damage caused to **your** car by attempts to get into it.

WHAT ABOUT ANIMALS?

If you break down and there are animals with **you**, **we**'ll have to decide whether or not **we** can arrange transportation for them based on the circumstances at the time. If **we** decide that **we** can, **we** will not be held liable for anything that happens to them. **We** won't transport horses or livestock.

OTHER INSURANCE

If you are covered by any other insurance for an incident, **we** will only pay our share of the claim. **You** may be required to provide **us** with details of the other insurance company for this purpose.

CANCELLATION

The cover may be cancelled:

- By **us** at any time by providing 7 days' notice in writing to **you** at **your** last known address. In such event, depending on the circumstances, **we** may refund the pro-rata premium applicable to any unexpired part of the period of cover for which premium has been paid.

- By **you** contacting **your** broker, intermediary or agent at any time to arrange cancellation. If **you** do this within 14 days of receiving **your** documents they will return any premium paid unless there has been a call out. If **you** cancel after that 14 day period, they will refund the part of the premium **you** have not used provided no call outs have been made. If **you** have requested a call out, the full yearly premium is payable.

PREMIUM

Where payment of premium is by instalments, the contract remains an annual one. The full premium is due if cover is cancelled by **you** and a call out has been made. Should **you** fail to pay any instalment by the due date, such failure will entitle **us** to regard this as cancellation by **you** in accordance with Cancellation terms above and all cover will cease from the due date.
