

# Manufacturers Combined

At NIG, we're proud to have over **125 years' experience** in underwriting commercial risks and we understand the needs of your clients.

Manufacturers Combined delivers all the protection of Commercial Combined and more. It's traded through our regional offices, providing cover for any single site or multi-site risk.

The policy offers a flexible range of specialist sections, specifically developed for the manufacturing industry.

Our knowledgeable and experienced underwriting teams will work with you to build a bespoke policy for your client.

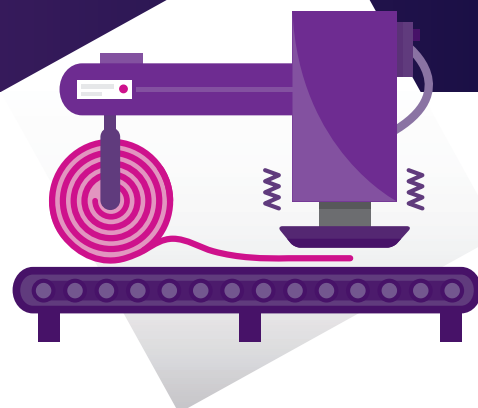

## Benefits

**We've expanded our standard covers to give your clients the following protection as a minimum:**

- Stock at Third Party Storage Sites up to £50,000 in UK £25,000 and in European Economic Areas (EEA) and £50,000 Annual Aggregate limit.
- Non-Ferrous Materials covered up to 125% of sum insured for a cushion against rising commodity prices
- Includes Business Interruption cover following damage to patterns, jigs, models, templates, moulds, dies, tools, plans, drawings or designs at Third Party Storage Sites
- Cost of Fuel Spillage Clean-Up limit £25,000
- Trade Samples included up to £500 per sample and £10,000 in total (UK or EEA)
- Cost of complying with current Loss Prevention Council Rules for Automatic Sprinkler Installations under European Union and Public Authorities Extension
- Cover for Stock at Exhibitions includes Plant and Machinery £50,000 in UK and £25,000 in EEA
