# Business Law Library

Comprehensive, easy-to-use legal resources at your fingertips

**DAS Business Law Library provides a comprehensive range of how-to business and legal step-by-step tools, guides, document templates, interactive checklists, infographics and videos.**

## Why use DAS Business Law Library?

The library helps business owners stay on top of employing staff and managing debts (including debt recovery). It also provides tools you can use to quickly produce essential business documents such as data protection, modern slavery and health and safety policies.

It's designed to be a continuous reference point for information and help, including access to a legal and tax helpline. It's available 24 hours a day, 365 days a year, and it's all regularly updated to keep you and your business one step ahead.

## The key features

- Access more than 1,000 online legal document builders, guides and business templates developed by legal experts. Content includes everything from employee contracts to health and safety policies to sexual harassment policy to dismissal letters.
- Intuitive template editing with built-in e-signature functionality for a fast and convenient way of signing documents such as contracts or tenancy agreements.
- Invite colleagues to view, review and comment on documents, making business due-diligence much faster and easier.
- Email alerts to keep you up to date with any recent changes in law, legislation or regulation.

## The key benefits

- Create ready-to-sign contracts, agreements, and letters, tailored to your specific business needs.
- Huge range of library content available 24/7- saving considerable time and expense dealing with external law firms.
- Download legal documents from the site, ranging from simple debt recovery letters to employment contracts. The service also provides useful tools, articles and information on matters such as new legislation, employment issues, property law and taxation.
- Constantly updated by legal and business experts in line with the latest information and legal changes.
- Jargon-free guides that explain things clearly, so it's easy to find what you need without having to be a qualified lawyer.
- Employment information on topics such as the working-time regulations, GDPR, national minimum and living wage, redundancy, disciplinary and absenteeism procedures, and guidance on issues like maternity and parental leave.
- Tap into DAS legal advice (just a button click away), as well as a 'live chat' function to help answer any platform-related questions on library content.
