You are under a duty to make a fair presentation of the risk to us before the inception, renewal and alteration of your policy.

This means that you must tell us about and/or provide to us all material information or tell us and/or provide to us sufficient information to alert us of the need to make further enquiries to reveal such material information. This information needs to be provided in a clear and accessible manner.

Material facts are those which are likely to influence us in the acceptance of the terms or pricing of your policy. If you have any doubts as to whether any information is material you should provide it to us.

Failure to disclose any material fact may invalidate your policy in its entirety or may result in your policy not responding to all or part of an individual claim or class of claims.

In order to comply with your duty to make a fair presentation you must also have conducted reasonable searches for all relevant information held:
